9. SURVEY / ISPS

It is a condition of this Policy that in the event Underwriters require a survey to be carried out, the Assured shall comply with any recommendations, requirements or restrictions imposed as a consequence of the survey by the date required by the survey or by the date set by Underwriters. The Assured must comply with the International Ship and Port Facility Security Code (ISPS).

In the event of a breach of this condition, Underwriters shall be entitled to cancel this Policy, with from inception, and shall

not be liable for any claims arising under the Policy.

10. ELECTRONIC EXCLUSION CLAUSE

- 10.1 Notwithstanding anything to the contrary contained within this Policy, it shall not provide cover in respect of claims, losses, expenses or costs arising by reason of any defect in the operation of any Computer Equipment, the operation or any function of such Computer Equipment, or the sending, receipt, processing or manipulation of data (including e-mails and data accessible via the internet). For this purpose, "Computer Equipment" includes any combination of software and hardware.
- 10.2 This clause applies regardless of any other cause and/or event that contributes concurrently or in any sequence to any loss, damage, cost, claim, and/or expense.

11. NOTICE OF POTENTIAL CLAIMS

The Assured shall give to Underwriters, directly or via Underwriters representatives (as identified in the Insurance Schedule), immediate notice of an Accident which may give rise to a loss which could result in a claim under this Policy. The Assured shall then promptly deliver by mail or facsimile or e-mail to Underwriters, directly or via Underwriters' representatives, a written account of the nature of the Accident stating the cause, if known, the extent of any damage, liability or expense and the nature of the interest of the Assured. Should notice not be given within 30 days of the Assured becoming aware of the Accident, Underwriters will have the option to decide whether they have been prejudiced by the delay, and if so, to reduce the amount paid in respect of the claim, or not pay the claim at all.

12. ASSISTANCE OF THE ASSURED

- 12.1 The Assured shall assist Underwriters in all matters relating to claim(s) and provide Underwriters with all information Underwriters or their agents may reasonably request in respect of a claim. - 12.2 The Assured is obliged under the due diligence obligation in clause 8.1 to take all reasonable steps to defend claim(s) made against the Assured which could become a claim under this Policy. Underwriters shall have the right, but not the duty, to participate with the Assured in the defence, settlement or litigation of any claim(s) made against the Assured, or to appeal against any judgement or award. Underwriters agree, provided prior written consent is obtained from Underwriters, subject to any terms imposed by Underwriters such as selection of lawyers, and subject to any deductible/underlying amount, to indemnify the legal costs and expenses in relation to any claim(s) against the Assured arising out of an insured Accident. However, Underwriter's liability including such legal costs and expenses shall in no event exceed the relevant Overall Section Limit(s) and/or Section Sub-Limit(s) as identified in the Insurance Schedule.
- 12.3 Underwriters shall have the right to elect at any time to take over the conduct of the defence, settlement or litigation of any claim(s) from the Assured upon giving notice to the Assured or the Assured's Broker by mail, facsimile or e-mail. Should Underwriters make such an election, the Assured agrees to continue to provide Underwriters with all reasonable assistance in handling the claim(s).
- 12.4 Underwriters shall be entitled at any time to elect not to continue to support the defence, settlement or litigation of any proceedings and any liability for legal costs and expenses shall cease at the time of their election.

13. SUBROGATION

The Assured is not authorised to waive any rights of recovery in relation to any other party without prior written agreement from Underwriters. Where an amount is paid by Underwriters under this Policy, the Assured's rights of recovery against any other party in respect of such amount shall be exclusively subrogated to Underwriters. At Underwriters' request the Assured will assist (including attendance at hearings and ensuring attendance of witnesses), co-operate and lend its name to the exercise of Underwriters' rights of subrogation. In the event that any subrogated recovery is made, Underwriters will be entitled to reimbursement of all sums they have paid under the Policy before the Assured is entitled to receive any uninsured losses or deductible that has been applied.

14. AUDIT

Underwriters may on reasonable notice examine and audit the Assured's books and records at any time relating to the subject matter of this Policy.

15. PRIOR KNOWLEDGE / OTHER INSURANCES

- 15.1 Underwriters will have no liability under this Policy arising from any Accident, of which the Assured had knowledge,

prior to the inception date of this Policy.

- 15.2 Where the Assured has given notice to insurers under any other insurance or is, irrespective of this Policy, entitled to be indemnified in whole or in part by any other insurance in respect of any damages or loss which would otherwise be indemnifiable in whole or in part by the Underwriters of this Policy, there shall be no contribution or participation by the Underwriters of this Policy on the basis of any deficiency, concurrent or double insurance for such loss or damage for which the Assured is entitled to be indemnified by such other insurance. This condition will apply whether or not the Assured is actually indemnified by such other insurance.

16. INSOLVENCY OR BANKRUPTCY

- 16.1 The insolvency, liquidation, bankruptcy, receivership, administration or the like, or any refusal or inability to pay of the Assured or any Underwriter shall not operate to:
- Increase Underwriter's liability under this Policy, or;
 - To increase any Underwriter's share of liability under this Policy, or;
 - To deplete any underlying amount(s).
- 16.2 Upon any of the circumstances described in 16.1 occurring to the Assured, then this Policy shall immediately terminate. The Assured will not be entitled to any return of premium, and will remain liable for premium due up to the date of cancellation.
- 16.3 In no event shall any Underwriter of this Policy assume the responsibilities or obligations of the Assured or any insurer or any Underwriter upon any of the circumstances described in 16.1 occurring to the Assured

17. CANCELLATION

- 17.1 Cancellation of this Policy may be effected by the Assured, or by Underwriters or their representatives (as identified in the Insurance Schedule) sending notice by mail or facsimile, or e-mail to the other party(s) stating when, not less than 30 days thereafter, cancellation shall be effective.
- 17.2 If this policy is cancelled by the Assured, Underwriters will retain the short rate proportion of the premium for the period this Policy has been in force calculated in accordance with the standard London Market Short Rate Cancellation Table. If Underwriters cancel this Policy, they shall retain the pro rata proportion of the premium for the period this policy has been in force until the effective date of cancellation.
- 17.3 Notice of cancellation by the Underwriters shall be effective whether or not Underwriters have returned or tendered the return of any premium with such notice.

18. PREMIUM PAYMENT CLAUSE

The Assured warrants that premium will be paid in full to Underwriters by the settlement due date set out in the Slip and Insurance Schedule (or in respect of instalment premiums, when due), or any longer period set by the applicable law of this Policy.

If the premium has not been paid in accordance with this warranty, Underwriters shall have the right to cancel this Policy by notifying the Assured either direct or via the broker in writing. Cancellation shall take effect either from the date of default, or date of inception as elected by the Underwriters in the slip and Insurance Schedule. In the event of cancellation as at the date of default, premium is due to Underwriters on a pro rata basis for the period that Underwriters are on risk but the full policy premium shall be payable to Underwriters in the event of a loss or occurrence prior to the date of termination which gives rise to a valid claim under this Policy.

Unless otherwise agreed, the Leading Underwriters are authorised to exercise rights under this clause on their own behalf and on behalf of all Underwriters participating on this Policy.

If any part of this clause is found by a Court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

Where the premium is to be paid through a London Market Bureau, payment to Underwriters will be deemed to occur on the day of delivery of a premium advice note to the Bureau.

19. ASSIGNMENT

No assignment of any interest under this Policy shall be valid except with the written consent of Underwriters.

20. SEVERAL LIABILITY NOTICE

The subscribing Underwriters' obligations under this Policy are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing Underwriters are not responsible for the subscription of any co-subscribing Underwriter who for any reason does not satisfy all or part of its obligations.

Within 30 days of receiving such notice the Respondent shall appoint his arbitrator and give written notice to the Claimant, failing which the arbitrator appointed by the Claimant shall act as sole arbitrator, in which case paragraph 22.2 shall not apply.

22.2 Before they enter upon a reference the two arbitrators shall appoint a third arbitrator. Should they fail to appoint such a third arbitrator within 30 days of the appointment of the Respondent's arbitrator then either of them or either of the parties may apply to the appointor for the appointment of the third arbitrator. The three arbitrators shall decide by majority. If no majority can be reached the verdict of the third arbitrator shall prevail. He shall also act as chairman of the tribunal. The appointor shall be the Chairman of the London Court of International Arbitration.

22.3 Unless the parties otherwise agree the arbitration tribunal shall consist of persons (including those who have retired) with not less than ten years' experience of insurance or reinsurance as persons engaged in the industry itself or as lawyers or other professional advisors.

22.4 The arbitration tribunal shall have power to fix all procedural rules for the holding of the arbitration.
