***Variety Of Reasons That Cause The Loss**

Loss or damage by accident, fire, lightning, self-ignition, explosion, burglary, house-breaking or theft, riot & strike, malicious act, terrorism, earthquake, flood, cyclone and inundation. Or while the car is in transit by rail, road, air, elevator and lift.

5 Things That Set Us Class Apart

One Tap Is All We Need!

Car Policies aren't tricky, they are simple, so should be the way you buy or renew them. All you need is your old policy and a camera in your phone to get a policy in under 60 seconds. Just scan, review and pay using the OCR technology-powered IndusInd Selfi App.

Your Policy. Your Choice. Your Add-ons.

We give you freedom to choose. A car insurance cover offers protection that is common to all cars, but the need of that protection keeps changing from where you stay to how much you drive. So, with us you get host of add-ons to opt depending on your choice and need.

Closer From Wherever You Are.

With a vast network of 10000+ network garages we are closer from any part of the country you drive to. And the best part is that we offer cashless claims facility throughout, which means you can relax while your car is repaired, and we settle the claim directly with the garage.

We're Just A Video Stream Away.

Stuck in the woods or on the hills with your car, just tap on your phone, open the IndusInd Selfi App and Live Video Stream with us to get instant claim assistance. Oh Yes! IndusInd Selfi App can be downloaded through Google Play Store or App Store.

No Claim? We'll Say Yes To Bonus.

No claim during the policy year is definitely good news, both for your car and your insurance premium, because you get to accumulate up to 50% discount on your premium with NCB (No Claim Bonus). We also offer additional discounts if you're a member of a recognised Automobile Association.

****Act Liability (as per Motor Vehicle Act):** Death or bodily injury to third parties; Death or bodily injury to any person carried in the car, provided they are not the insured's employees and not carried for hire or reward; Third party property damage

Add-On! Because You Need Them

You Pay For The Kms You Drive

If you think the premium you pay for your car insurance is much higher than the use age of your vehicle, well then, we have some good news for you. You now opt for the Limit Sure-Pay as you drive add-on cover where you can choose to pay for just the number of kms you want to drive. You can even top up the kms incase you've exhausted it within a policy year or carry forward the excess unused kms to the next year or even redeem it for a discount on your car insurance premium at the time of renewal. Wonderrrrful isn't it!

Full-on Protection With Nil Depreciation

When you make a claim under a comprehensive cover, the claim amount is often reduced by the depreciation of parts such as glass, fiber, etc. A Nil Depreciation (Bumper-to-Bumper) Cover helps you avoid these deductions, ensuring full compensation for your claim. Opt for it if you have a new car, are a new driver, or drive frequently in cities with heavy traffic.

Consumables Should Be Unmissable

A bunch of seemingly insignificant items can cause a huge dent in your pocket, like nuts, bolts, screws, washers, grease, lubricants, clips, AC gas, bearings, distilled water, engine oil, oil filter, fuel filter and break oil. Phew! That's a long list, but is covered when you choose the Consumables Cover. Go for it if you have a new or premium car and can't want a hefty out-of-pocket expense.

Engine Is The Soul, Guard It.

Whether you stay in a heavy-rainfall region or the one that's flood prone, water isn't a great friend to your car engine. Go for an Engine Protection Cover to compensate for expenses incurred while fixing the indirect damage done by water ingress or leakage of lubricating oil leading to loss or damage to- Engine Parts, Differential Parts and Gear Box Parts.

Keys Can't Be Put Under Locks

Let's be honest - we've all misplaced or lost our car keys at some point. While we can't find your keys for you, we can certainly cover the cost of repairing or replacing your car keys, locks, and/or the lock set. Don't take a chance-go for the Key Protect Cover if your car uses automatic keys or a lock set, as replacements for these can be quite expensive.

Car Halts But Not The EMI

Sometimes damages take time to heal, not just for us but for the car too. While your car is under repair at an authorized service centre for more than 30 days, we solve for your running car loan EMIs. Yes, with the EMI Protection Cover we pay up to 3 EMIs (as per the plan opted) of your car's loan.

Making A Claim, Yet Want NCB

Don't like seeing your car with the minutest damage and opt to claim for it, then this add-on is for you. Choose NCB Retention Cover and retain your NCB even if you make a claim during the policy year. You can opt for only one claim in the policy.

Daily Hospital Cash When You Need It The Most

If an accident leaves you hospitalised, the last thing you need is financial stress. Daily Hospital Cash provides coverage according to your selected plan. It also covers unnamed passengers, provided the hospitalisation lasts a minimum of 24 consecutive hours. Additionally, a convalescence benefit becomes payable after 7 days of hospitalisation. Yes! we're with you in your tough times.

IndusInd Preferred Network – Our Customer Is King!

With the IndusInd Preferred Network Garage Benefit Add-on,, enjoy an additional 10% discount on your OD premium#, priority service, cashless claim settlement, and access to an extensive network of garages across Pan-India. Plus, benefit from 24x7 claim registration and a hassle-free experience-because your convenience is always our top priority.
